Learn how to...

Create machine learning
models in TensorFlow

Learn how to...

Create machine learning
models in TensorFlow

Use the TensorFlow libraries to
solve numerical problems

Troubleshoot and debug
common TensorFlow code
pitfalls

Learn how to...

Create machine learning
models in TensorFlow

Use the TensorFlow libraries to
solve numerical problems

Troubleshoot and debug
common TensorFlow code
pitfalls

Learn how to...

Use `tf_estimator` to create, train, and evaluate an ML model

Train, deploy, and productionalize ML models at scale with Cloud Machine Learning Engine
